Picnic 18 is the perfect marriage between simplistic Scandinavian aesthetics and user-friendly functionalistic solutions, exemplified through the scenic teak-fitted aluminum steering console displaying no more than the utmost necessary - the intuitive throttle, the lush stainless steel steering wheel and marine stereo. Plug-and-play and easy for all to use.

General: The Picnic 18 was born with the desire to offer the most compelling sailing experience with maximum usability. The elegant 18ft open day cruiser is an affordable, low-key luxury boat that truly offers a new way of experiencing social interaction with friends and family while sailing due to the unique interior design combined with high usability.

Hull: The lightweight hull makes it easy to transport by trailer, and its large storage rooms can hold indeed anything from canvas cushions, life vests, bathing towels, and of course your fully equipped picnic basket. For this reason this low maintenance motorboat is incredibly easy to maneuver and it requires no sailing license or experience to use and sail the Picnic 18.

Console: Positioned adjacent by the center table the delicate aluminum steering console can be reached from both sitting and standing position, and provides pleasant steering position.

Sunbed: By lowering the centre picnic table and laying across a custom four-cushion sun lounge the front part of the Picnic 18 turns into a whopping 200x180 cm sunbed perfect for a relaxing nap or drying in the sun after a refreshing dip in the water.
