A leader in its class, this 8-metre luxury boat can comfortably carry up to 8 passengers, with larger under-seat lockers, removable dining tables and front and rear platforms that make getting on and off the boat easy, whether you're stepping on to dry land or diving into the big blue.

Viewing by prior arrangement only as these boats are off site.

Featuring an extended bow that converts effortlessly into a generous sundeck, a handy heads unit and with plenty of seating and storage, the Eagle 8 is designed for long days spent enjoying the open water.

A leader in its class, this 8-metre luxury boat can comfortably carry up to 8 passengers, with larger under-seat lockers, removable dining tables and front and rear platforms that make getting on and off the boat easy, whether you're stepping on to dry land or diving into the big blue.

Pair up with the highly-acclaimed Suzuki Marine DF350A four-stroke engine to experience phenomenal performance and acceleration up to 60mph. The Eagle 8's hydraulic steering system, built-in fuel tank and automatic bilge pumps allow you to enjoy a smooth, dry ride without the need for pit stops.

EAGLE 8 - Sleek-Looking and Luxurious

With a sleek, modern design and 26 feet of ample space for you and your guests, the Eagle 8 rigid inflatable boat by BRIG USA is the premier choice for anyone looking for an unforgettable boating experience.

Our high-quality boats are made in Europe by people who are experts in their field. The Eagle 8 is a luxurious family cruiser that shows off everything boaters throughout the world have come to love about our durable, great-looking inflatable boats.

The Eagle 8 is constructed with a deep-V-hull, which has become a signature of the Eagle series. This large 26ft RIB boat is made with extra-wide tubes, a square bow and an extended waterline to ensure you'll enjoy a smooth, stable ride whenever you're aboard.

While the Eagle 8 isn't the biggest RIB boat in our handsome lineup, it is big enough for you and your friends and family to enjoy with ease. It has enough comfortable seating for 11, and it can transport up to 16 adult passengers at once. The Eagle 8 has storage lockers in the front and back, and it's capable of hauling a payload of as much as 4,270 pounds. With such a versatile, roomy boat, you'll never have to worry about leaving anyone or anything at the dock.

One of the many things that make the Eagle 8 stand out is the boat's prominent radar arch. This arch is noticeable from a considerable distance, and it gives the sleekly-styled Eagle 8 an unmistakable appearance that's indicative of all the fun you'll have every time you hit the water in your inflatable cruiser.
