## Features

2021 Bayliner VR5 Cuddy Cabin powered by a Mercury 115 Hp PRO XS 4 Stroke outboard engine. This is a very clean example of this popular Bayliner model, finished with a black hull band and red bootstripe with matching canvas, she has had two owners and has been very well cared for.

The VR5 is a great all-rounder, she has a fantastic cockpit layout with a large L-shaped seating, a single helm seat and a huge sunbed to aft, under every seat and the sun pad there are storage lockers, the cockpit also has a sink and walk-through transom. This boat has a very high specification with a Simrad GPS Chartplotter, SeaDeck flooring, tonneau cover and a full cockpit canvas enclosure. Below deck she has a spacious double V-berth with deck hatch and a porta-potty.

This VR5 has just had a full engine service, new-antifouling and valet, she is ready and available for the coming season, we strongly recommend viewing this beautifully presented boat, she is currently laying afloat with us in Swanwick.
