THE NEWEST MEMBER OF THE BRIG RIB FAMILY, THE EAGLE 6.7 OFFERS INCREDIBLE OPEN WATER PERFORMANCE, LUXURIOUS STYLE AND OUR INDUSTRY-LEADING QUALITY.

When we set out to design and build the worlds best 7m family boat, we knew we had to focus on stability, handling and performance while incorporating all of BRIGs iconic style and quality.

Retaining all of the best features of its predecessor, the BRIG Eagle 650, the Eagle 6.7 stands out from the class thanks to our newly designed deep V hull, UV resistant ORCA Hypalon tubes and a stunning swept-back ski pillar.
